The 5 WPM (or better) liberal amateur radio operator's motto:

"Tolerate everyone, except the codeless tech!" ;-))))

And for the non-amateur radio related perspective...

Political Science 101 (1990's version):

"Tolerate everyone, except someone who's opinion
is different from your own."

Class dismissed.

Favorite oxymoron: political science!

The U.S. Constitution defines the rights the people
give to the government, not the reverse!
